The idea of ATL, is to motivate the students to think out of the box engineering solutions. Budding student engineers are not just working on theory but are doing practical work on innovating solutions to real life problems. It is imperative therefore that students of today are provided the STEM Skills for a better and a fulfilling future ahead.

- Madhur Kaushal of class IX Sigma and Pushkar Sharma of Class X Theta brought laurels to the school by winning the third position in the final round of the 50th State Level Science, Mathematics and Environment Exhibition organised by State Council of Education Research and Training.
- Stepping Stones School has been chosen as best ATL School in the region twice in the year 2022 i.e. April and July.

Stepping Stones School has developed a robust Sports Infrastructure for Shooting, Cricket, Football, Basketball, Volleyball, Table Tennis, Badminton, Athletics, Taekwondo, including a Multipurpose Hall for indoor sports as well as an activity schedule. It is therefore, my pleasure to announce some of the results of these efforts:

- Chandigarh Sub Junior State Athletics Championship was held in November, 2022, wherein:
- Ashish Kumar Yadav, Danish of Class-10th, Anmol of Class 7th, Ankush and Vansh of Class 8th won Gold and Silver Medals in long jump, 100m, 400m, relay races and shot put.
